# Oxford Cancer Centre Radiotherapy Department Open Day

Are you curious about other departments?

Then why not come and visit us?

IMRT, SABR, CBCT and SRS is routinely used within OCC. We embrace Radiographer-led services and have close links with the Gray Institute for Radiation Oncology and Biology – Oxford University, to involve us in innovative and cutting edge research.

**Saturday 25<sup>th</sup> January 2014**

**1pm - 4pm**

Radiotherapy Department  
Level 0

Cancer and Haematology Centre  
Churchill Hospital
