# What do our recent students say about us?

14

*"I thoroughly enjoyed being a student and will cherish the memories gained from that 2-year period. All my Lecturers were very supportive, and I always looked forward to being in class ... It was always amazing listen to lectures delivered in ways that made rather difficult concepts easy to understand and apply ... I would highly recommend the programme to any student interested in breaking frontiers as a finance professional ... it is safe to conclude that a thorough, well-curated world-class study experience awaits incoming MSC FIB post-graduate students."*

*- Abimbola Abosedo Famurewa, MSc Finance and Investment Banking*

# What do our recent students say about us?

15

*"Completing the M.Sc. Finance and Investment Banking programme at the University of Hertfordshire has been a pivotal milestone in my career journey. The programme's holistic approach, guided by seasoned faculty members, has provided me with a profound understanding of investment strategies, risk management, and financial analysis. Through practical coursework and exposure to industry best practices, I've gained invaluable insights that have fortified my knowledge and technical acumen. This immersive experience has instilled in me the confidence to tackle real-world challenges in the finance sector. I wholeheartedly endorse this programme to ambitious finance professionals seeking a robust foundation and a competitive edge in their careers."*
