Welcome to Herts

We're delighted that you're joining us for our Postgraduate Open Day, ready to progress your career-defining journey at Herts.

At Herts, you'll find real-world facilities, academic staff who share their lived experience and a vibrant and energised global community. Enjoy the opportunity to talk to staff, tour our campuses and explore how we can support you on your academic journey.

Getting around

Don't forget to pick up a map from check-in to make your way around, but if you're not sure just ask a member of staff or student ambassador.

Campus accessibility

Our campuses are wheelchair friendly, but if you need additional directions or support, please let us know.

Help and emergencies

In case of illness, injury or lost property, please inform a staff member and we'll be happy to help. If you hear a fire alarm, please leave the building immediately and follow the University's fire safety guidelines.

Which campus?

The Open Day is taking place across two campuses today. You can either drive, use our intercampus shuttle, or walk - the campuses are only about a mile apart.

College Lane Campus - AL10 9AB

Sessions for health and social work, computer science, engineering, physics, maths and astronomy, art and design, film, music and media, life and medical sciences and humanities.

de Havilland Campus - AL10 9EU

Sessions for business, law, education and sport.

Make the most of your day

Throughout this event guide, you'll find numbers that represent map locations which will help guide you around campus today.

Please speak to any of our staff or student ambassadors if you need any guidance around campus.

What next?

Get your application in!

Follow our five-step guide and start your journey today.

1 Find your course page via the course search bar on our website

Alternatively, you can view our postgraduate offering under the Study menu. Check out the entry requirements and when you're ready to apply, click the "Apply Now" button at the top of the course page. If you are a Home applicant, select your entry year and click apply online where you will be taken to our online application portal. Set up an account (or log in if already registered) and start your application. If you are an International applicant, select the option to apply through our international portal.

2 Double-check your application

Ensure all required information and necessary documents, like qualification certificates and a reference from your referee, are uploaded. We can't process your application without these.

3 Wait for a response

Our Admissions team will start reviewing your application within five working days. They may request additional information, such as a portfolio or an interview for some courses.

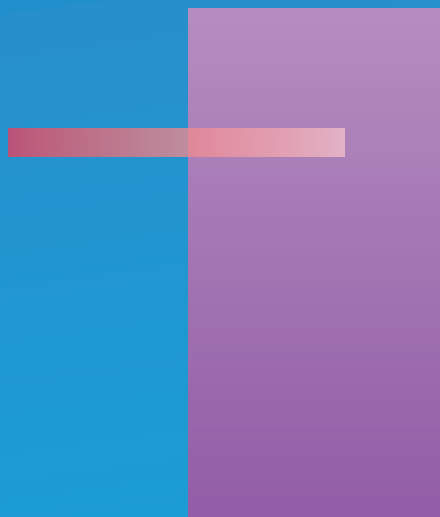

4 Check your emails

Once your application has been reviewed, you will receive an email with our decision.

5 Accept your offer

Upon receiving an offer to study, you will need to follow the instructions in your offer letter to accept your offer. Upon meeting all conditions of your offer, you'll receive your online registration and enrolment information before your course begins.

Students who have completed an undergraduate degree at the University of Hertfordshire may be eligible for a tuition fee reduction of 20% on some postgraduate taught courses.

Join our online community
